Re: Freedom of Information Act Request EPA-R10-2014-002339

Dear Ms. Hipple:

This is in response to your Freedom of Information Act (FOIA) request for all records regarding Pasco Sanitary Landfill, also known as Pasco City Refuse Site, including but not limited to records documenting its inclusion on the National Priorities List in 1988 and an inspection of the site performed by EPA in 1984 as referenced in the letter you attached to your request.

Responsive records have been loaded into your FOIAonline account. This publicly releasable information is provided by the Office of Environmental Cleanup.

This is not an adverse determination. However, under FOIA you have the right to appeal the following determinations:

- records denied in whole or in part;
- no responsive records have been located;
- denied request for fee waiver in whole or in part;
- denied request for expedited treatment;
- request fee category assignment;
- agency has fully responded but because of the voluminous nature of the request, the requester may challenge the reasonableness of the search for records.

You may submit your appeal through your FOIA Online account or you may appeal this response to:

National Freedom of Information Officer
U.S. EPA, FOIA and Privacy Branch
1200 Pennsylvania Avenue, N.W. (2822T)
Washington, DC 20460 (U.S. Postal Service Only),
FAX: (202) 566-2147,
E-mail: hq.foia@epa.gov.

Please note that only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW.

If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20001. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the FOIA listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

If you have questions regarding our response to this request, please contact Rod Lobos, Remedial Program Manager at (509) 376-3749 or lobos.rod@epa.gov. This concludes the EPA Region 10 response to FOIA request number EPA-R10-2014-002339.

Sincerely,
